July 29, 2013

Keywords: galaxy clusters, catalogues

The paper "A Catalogue of Galaxy Clusters and Groups Based on the Muenster Red Sky Survey" was published in *The Journal of Astronomical Data*, 12 p.1-9 (2006). In the paper and attached catalogue column 18 containing mean position angle of galaxies in structure is incorrect. The correct version of the Table 1 is reproduced here.

Table 1: Structure of the PF CATALOGUE.
